

# CACFP Eligibility Assessment

(Read program descriptions and click the one that describes your situation)

## At-Risk Afterschool Program

- Must be located in an area served by a school in which 50 percent or more of the enrolled children are eligible for free or reduced-price school meals
- Operates during the regular school year on school days, weekends and holidays  
Weekend only programs are okay
- Serve any children and youth through age 18; no enrollment
- Must include educational and/or enrichment activities

## Outside of School Hours Care Center

- May be located in any geographical area
- Operates year round on school days, weekends and during school vacations.  
No weekend only programs
- Serve enrolled children age 12 and younger
- Must collect income eligibility information for each enrolled child
- Provide regularly scheduled child care, distinct from extracurricular programs
